

You've appreciated the way he furnished the Aman Spa at London's Connaught, the way he employed traditional latticework screens at the Aman Summer Palace in Beijing and the way he brought Asia to The Setai in Miami. Now, you can bring the Jaya Ibrahim-style home. The Javanese interior decorator to the stars has unveiled The **JAYA CLASSICS** collection, a brand new furniture line exclusively available at Space Furniture.

Space Furniture, 77 Bencoolen Street
